Website development: internal

## **Hosting**

godaddy.com

## **Entirety**

In the event that any of the clauses of the present contract would be null and void by a change of legislation, regulation or by a court decision, this can not in any way affect the validity and the respect of the Conditions of Application .

## **Applicable law-Litigation**

These conditions apply throughout the duration of online services provided by Renotech.

In case of dispute, the User must first contact Renotech to obtain an amicable solution. Otherwise, the courts of Nivelles are competent, whatever the place of delivery and payment terms accepted.

## **Your personal data, our responsibility**

On this website, we collect your personal data. These data are managed by our company. We do not sell or rent your personal data to third parties.

We keep the following information during your visit to our site:

- your IP address when you visit our web page.
- your e-mail address when you send messages / questions to this site.
- your e-mail address when you communicate with us by e-mail.
- any information that you have voluntarily given us (for example in the context of information inquiries and / or on-site registrations).

This information is used for:

- improve the content of our website.
- customize the content and lay-out of our pages for each individual visitor.
- inform you of updates to our site.
- to contact you later for direct marketing purposes.

### **Use of 'cookies'**

We use cookies on this website. (As a reminder, a cookie is a small file sent by an Internet server, which registers on the hard disk of your computer, keeps track of the visited website and contains a certain amount of information about this visit). The cookie allows us to facilitate your next visits, and to record your preferences.

### **Security**

We always use encryption technologies that are recognized as industry standards in the IT sector when we transfer or receive your data on our site

### **How to contact us about our privacy policy?**

If you want to react to one of the practices described below, you can contact us:
